1 PURPOSE AND OBJECTIVE OF REQUEST FOR PROPOSAL (RFP)

The purpose of this Request for Proposals is to select a "background verification" vendor for The College of New Jersey (TCNJ). Our interest is in hiring the best employees and avoiding the employment of individuals who present a risk to our faculty, staff and students. All materials submitted to TCNJ Administration for the purpose of this RFP will fall under New Jersey public records laws.

This RFP is designed to provide interested bidders with sufficient basic information to submit proposals meeting minimum requirements, however, the RFP is not intended to limit a proposal's content or exclude any relevant or essential data. Bidders are at liberty and are encouraged to expand upon the specifications.

2 BACKGROUND

The College of New Jersey takes pride in providing a first-class educational experience in a safe and supportive environment for our students, employees and community constituents who visit the campus. In support of its efforts to sustain such an environment, The College of New Jersey has adopted the practice of completing pre-employment background investigations. This practice establishes parameters for criminal history and related background investigations on individuals who are offered employment at the College.

At a minimum, state and federal criminal and social security number checks will be conducted on all newly hired employees. This background check may be expanded based upon the duties and responsibilities of the individual new hire. The college will also conduct educational and driver's license background checks that are required to satisfy the requirements for the position.

2.1 Contract Term

The initial term of contract that may be awarded as a result of this RFP shall be for three (3) years. This contract may be extended for additional two (2) years at (1) year intervals. The College retains, at its sole discretion, the right to exercise the renewal option(s). Any contract renewal will be made effective by mutual agreement and shall be contingent upon the contractor's satisfactory performance as solely determined by the College.

2.2 Questions Regarding the RFP

All questions regarding this RFP are to be submitted in writing by email by 2:00 PM. on September 13, 2019 and addressed to Anup Kapur at kapura@tcnj.edu. If any questions are received, an addendum will be issued on September 18, 2019.

3 COLLEGE OVERVIEW

The College of New Jersey (TCNJ) is a highly selective institution that has earned national recognition for its commitment to excellence. TCNJ currently is ranked as one of the 75 "Most Competitive" schools in the nation by Barron's Profiles of American Colleges, is rated the No. 1 public institution in the northern region of the country by U.S. News & World Report, and is considered a "best buy" in higher education by both Barron's and Kiplinger's Personal Finance. TCNJ was also awarded, in 2006, a Phi Beta Kappa chapter, an honor shared by less than 10 percent of colleges and universities nationally.

The College of New Jersey's academic tradition reaches back to 1855 when it was established by the state legislature as the New Jersey State Normal School. It was the first teacher training school in the state and the ninth in the nation. Governor Rodman Price, sometimes called the founder of the New Jersey Normal School, promoted the idea of a training institute for New Jersey's teachers and mobilized support among influential state leaders.

Originally located on Clinton Avenue in Trenton, the Normal School flourished in the latter 1800s, expanding both its academic offerings and physical facilities. In 1925, the first four-year baccalaureate degree program was established. This change marked the beginning of TCNJ's transition from a normal school to a teachers' college and was accompanied by a change in physical surroundings. In 1928, a beautiful 210-acre tract of land in Ewing Township was purchased as a new site for the College.

Graduate study was instituted at the College in 1947, and accreditation from various national associations was forthcoming in the 1950s. The enactment of the Higher Education Act of 1966 paved the way for TCNJ to become a multipurpose institution by expanding its degree programs into a variety of fields other than education. By 1972, seventy percent of entering students were selecting non-teaching majors.

In the 1970s, a period of declining enrollments nationwide, the College made a decision to raise, rather than lower, its already high standards. Since that time, the academic profile of entering classes has continued to rise and as a result, the College has become one of the most competitive schools of its kind in the nation.

The College of New Jersey emphasizes the undergraduate experience. A strong liberal arts core forms the foundation for a wealth of degree programs offered through TCNJ's seven schools—the Arts and Communication; Business; Humanities & Social Sciences; Education; Science; Nursing, Health, and Exercise Science; and Engineering. The College is enriched by an honors program and extensive opportunities to study abroad, and its award-winning First-Year Experience and freshman orientation programs have helped make its retention and graduation rates among the highest in the country.

Today the College provides academically prepared students with a challenging undergraduate education and a rewarding residential experience, small classes, and a prestigious faculty.

For additional information about TCNJ, please visit http://tcnj.pages.tcnj.edu/about/.

INFORMATION AND INSTRUCTIONS

For Completing the "Two-Year Vendor Certification and Disclosure of Political Contributions" Chapter 51 Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51").

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey's efforts to protect the integrity of procurement decisions and increase the public's confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor's ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. Please note that it is the vendor's responsibility to file new forms with the State should these changes occur.

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first use NJSTART (https://www.njstart.gov/bso/) to check the status of a vendor's Chapter 51 certification before contacting the Review Unit's mailbox at CD134@treas.nj.gov. If the State Agency does not find any Chapter 51 Certification information in NJSTART and/or the vendor is not registered in NJSTART, then the State Agency should send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
