FROM: The College of New

Jersey DATE: January 27, 2020

RE: AB200013-Trash Removal and Recycling
Addendum No. 1

The following questions have been received:

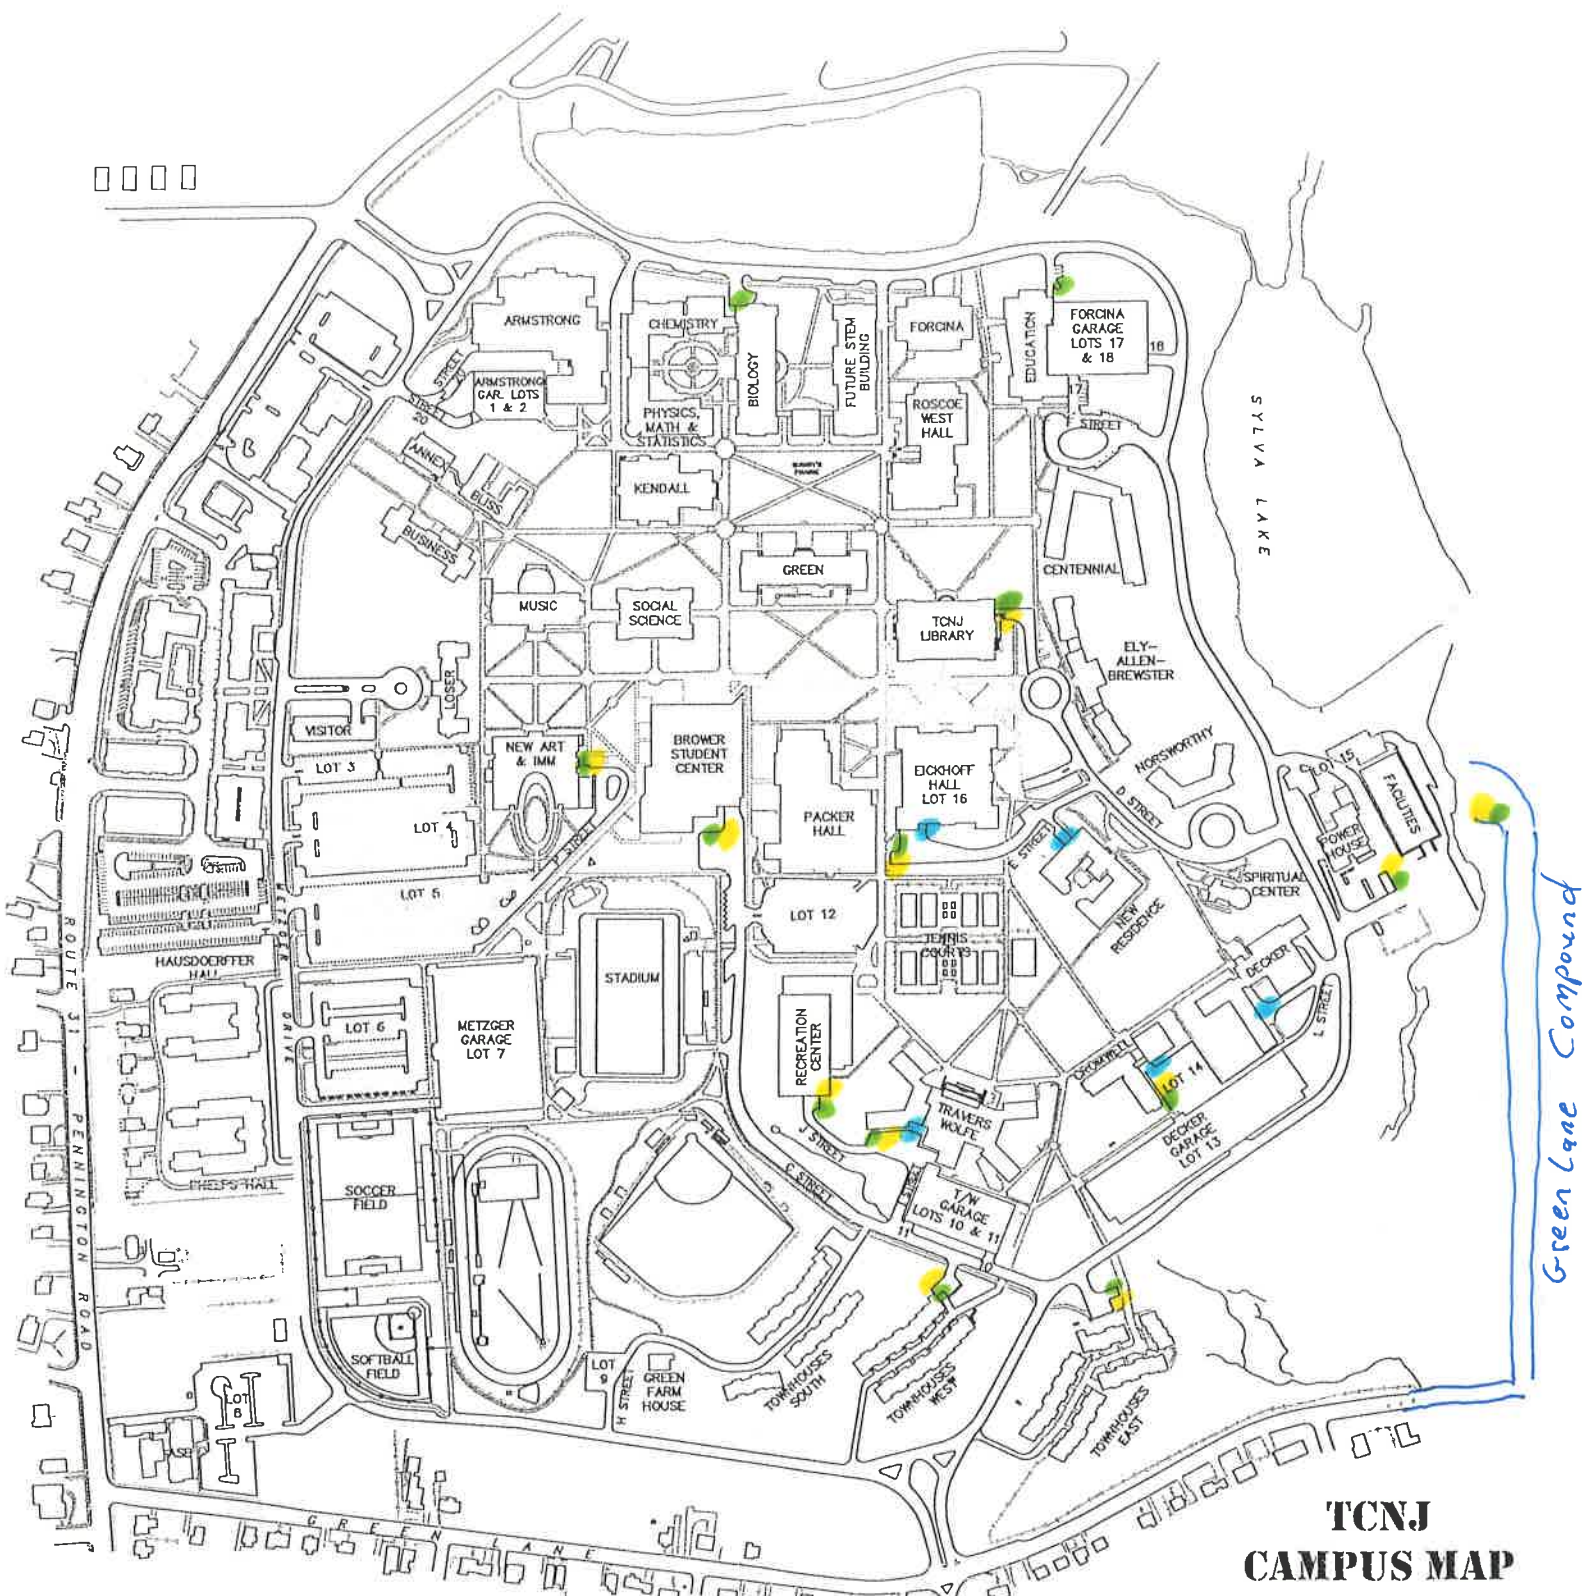

Question 1: Per the document, the hauler is required to provide the containers for the campus. The compactors are owned by TCNJ. With the 2-yd and 4-yd compactors, are the containers part of the compactor or does the vendor need to provide those containers?

Answer: TCNJ owns the 2 and 4 yard compactor containers. Vendor does not need to provide.

Question 2: Is there a separate site map I can reference or is the on-line version through your website the best one?

Answer: See campus map attached.
