RE: AB200018-Projectors  
Addendum No. 1

---

### CLARIFICATION:

The Epson two year advance replacement warranty part number is incorrect. The correct number is BFEPPZEX2.

### QUESTIONS:

Is TCNJ accepting like models in a response. Ricoh is not a reseller of Epson projectors, but we do suppl units of equal functionality.

**Answer: The vendor may include in their bid substitute equipment in lieu of those specified, but they do so at their own risk. Any substitution must be equal in type, function and quality to the item required.**
