Bidding General Notes:

1. This project is for the complete replacement of The TCNJ Gas Compressor at the Powerhouse. The new Copeland Gas Compressor Components will be purchased by TCNJ and delivered at the time of the scheduled installations. Those times shall be coordinated with TCNJ, the Contractor, and the Manufacturer. The General Contractor is responsible for the removal and replacement with complete turn-key tie-in to the existing infrastructure. The following shall be included, but not limited to by the bidders for this project:
 - Removal and disposal of existing units including craning as needed, see drawings and specs
 - Roof tie-in as needed, see drawings and specs
 - Controls tie-in as needed, see drawings and specs
 - Electrical tie-in as needed, see drawings and specs
 - Gas tie-in as needed, see drawings and specs
 - All other work as shown in the bidding / contract specifications and drawings
2. Bidder shall include in their bid price an allowance of \$50,000.00 dollars for "Unforeseen Issues", if needed or requested by the College over and beyond what's shown on the bidding documents. Any unused allowance shall be deducted from the contract via a deduct change order.
